I understand that to be eligible to apply for reduced submission requirements for the purposes of an amendment or notification request, the following criteria must be met by each school operated by the Charter Holder, as specified in the Academic Performance Eligibility and Consideration of Operational Compliance instructions. I have reviewed all relevant Academic Dashboards, and operational compliance, and found that these criteria have been met.

- Each school operated under the charter for which expansion is being requested is eligible to receive an overall rating and has an overall rating of "Meets" or "Exceeds" Standard in the most recent fiscal year that State assessment data is available, or
- The school operated under the charter for which expansion is specifically being requested has an overall rating of "Meets" or "Exceeds" Standards in the most recent fiscal year that State assessment data is available, and
- The Charter Holder requesting expansion is currently in compliance with all areas listed in the Consideration of Operational Compliance instructions.

I, *Carolyn Brennan*, acting on behalf of *CITY Center for Collaborative Learning*, believe *CITY Center for Collaborative Learning* meets the eligibility requirements for reduced submission requirements outlined above, and understand that Board staff will review the academic performance and operational compliance of the Charter Holder to confirm eligibility.
